

By Laws for Mount Evergreen Cemetery Quinte West, Ontario Ward 3 Murray

Mission Statement:

To maintain Mount Evergreen Cemetery in a peaceful and park-like condition while serving the burial needs of the community. To work with the local burial and memorial dealer sector to ensure that all by-laws are observed, and to heed the lot and plot owners to ensure their wishes can be realized while ensuring decisions are in keeping with the long term goals of the Cemetery.

Preface:

Mount Evergreen Cemetery is located on Lot 4, Concession 2, formerly the Township of Murray, now the City of Quinte West.

The Mount Evergreen Cemetery Board of Trustees, in the discharge of its responsibilities, appeal to the lot and plot owners and the public in general to aid the Board by following these by-laws, which have been adopted for the improvement and upkeep of the cemetery, to keep it a becoming and respectful place for the burial of the dead. Mount Evergreen Cemetery is licensed to act as a cemetery in accordance with the *Funeral Burial and Cremation Services Act, 2002*.

This is a Cemetery.....

Lives are commemorated – deaths are recorded – families are reunited – memories are made tangible – and love is undisguised. This is a cemetery.

Communities' accord respect, families bestow reverence, historians seek information and our heritage is thereby enriched.

Testimonies of devotion, pride, and remembrance are cast in bronze to pay warm tribute to accomplishments and the life – not the death – of a loved one. The cemetery is homeland for memorials that are a sustaining source of comfort to the living.

A cemetery is a history of people, a perpetual record of yesterday, and a sanctuary of peace and quiet today. A cemetery exists because every life is worth loving and remembering – always!

3.8 Purchase - Limitations

No person, group or organization shall be entitled to hold the interment rights for more than 30 unused grave spaces in the cemetery. Those individuals listed as the Interment Rights Holders through such organizations will have exclusive Interment Rights for the entire plot. Regular updates of those Interment Rights Holders filed with the cemetery office are mandatory to maintain proper order of these plots.

Article 4

TRANSFER/PRIVATE SALE OF INTERMENT RIGHTS

4.1 Resale of Interment Rights Prohibited

The re-sale of interment rights to any party other than to the cemetery is strictly prohibited. Interment rights will be repurchased from the Interment Rights Holder under the terms and conditions of *The Funeral, Burial and Cremation Services Act, 2002*.

4.2 Transfer

Interment rights may be transferred to another party. No transfer of any interment rights or any interest therein shall be binding upon the Board until notice is given in writing to the Coordinator, or designate, specifying the name and address of the proposed transferee and date of transfer. Any transfer will be recorded in the cemetery records.

In cases of transmission of ownership by Will or Bequest of Interment Rights, the Board reserves the right to require the production of a notarized copy of the will or other evidence sufficient to prove ownership.

Article 5 INTERMENTS

5.1 Burial Permit - Cremation Certificate Required

No interment shall take place without a Burial Permit or a Cremation Certificate as is applicable, nor until the person making an arrangement for the interment have complied with all laws, rules and regulations relative to burials. Persons contracting for interment rights and/or making arrangements for burials shall be responsible for all charges incurred.

5.2 Interments - Conditions Precedent

All interments are performed by cemetery staff. The Coordinator, or designate, shall not make any interment or inurnment on any grave or in any niche unless and until the person/persons ordering the same shall first exhibit:

- a) a signed contract respecting the purchase of the interment right, or niche and the authorization to proceed with the interment or inurnment (as is the case); or
- b) a Certificate of Interment Rights indicating the party is the rightful owner of the interment rights upon which the interment activity is requested;
- c) In those circumstances where the party requesting the interment activity is unable to provide evidence of ownership, the Coordinator may require the party to have their solicitor complete a "Letter of Permission" stating on the solicitor's letterhead that the appropriate searches have been completed and assuring clear title to the lot.

5.3 Grave Opening - Notice

Under normal circumstances when the opening of a grave is required, not less than 48 working hours of notice of such requirement shall be given to the Coordinator by the owner or owner's agent of the interment right upon which the grave is to be opened. For the purposes of this section, Saturdays, Sundays and Holidays shall not be considered working hours.

5.4 Funerals - Conditions

All funerals within the said cemetery shall be under the jurisdiction of the Coordinator or designate. No funeral service shall be held and no interment shall be made in the cemetery on Public Holidays or on Sunday, except pursuant to an Order of the Medical Officer of Health.

5.5 Location of Graves - Errors

The Board shall not assume any responsibility for errors in the location of graves, when improper instructions have been given by the interment rights holder, or designate. All costs resulting from improper instructions received will be charged to the consumer who signed the service contract.

The Board reserves the right, at its cost, to correct any error that may be made by it in making interments, in the description of the lot, or the transfer or conveyance of any interment rights. The Board may either cancel such grant and substitute other interment rights, or lot of equal value and similar location, as far as is reasonably possible, or refund all money paid on account for such purchase.

5.6 Multiple Interments - Limitations

A maximum of six (6) cremation burials are permitted in any full grave where no casket burials will take place. One (1) casket may be buried with an additional five (5) cremation burials on any full grave. A maximum of two (2) cremation burials are permitted on any flush marker cremation grave. Double depth burials are not permitted.

5.7 Interment Equipment

No interment equipment except that provided by the Board shall be used, except as noted in Section 5.9 below.

5.8 Elevated Mounds - Prohibited

No elevated mounds shall be built over graves and no lot shall be filled above the grade established for the cemetery except temporarily for maintenance reasons by the cemetery staff.

5.9 Burial Vaults - Installation

When burial vaults are used, they shall be installed by the supplier who shall use their own equipment. The supplier shall be responsible for any damage to the grounds or casket, which was caused due to the supplier's equipment or operator error.

5.10 Soft Ground - Alternative Arrangements

At times when the ground in the cemetery is soft from spring thaws, rain or other cause or where personal safety is at risk, a mock graveside setup will be used, instead of at the gravesite.

5.11 Temporary Storage - Limitations

Temporary storage may be made in the Mt. Evergreen Vault. Charges shall be as outlined in the Price List. Lot owners are not subject to vault storage fees.

Article 6 DISINTERMENTS

6.1 Approval

No disinterment of human remains shall take place without the written approval of the Interment Rights Holder and notification of The Medical Officer of Health as required by law.

6.2 Approval - Funeral, Burial and Cremation Services Act 2002

All other requirements under *The Funeral, Burial and Cremation Services Act, 2002* and appropriate regulations must be met in order for a disinterment to proceed.

6.3 Conditions

Disinterment shall be made only when conditions are suitable to guarantee that a safe removal can take place except as ordered by the Coroner's Office.

6.4 Outer Case - Provision of Same

If the burial was made in other than a permanent type outer case, a new outer case must be supplied by the requesting party.

6.5 Private Memorials - Removal Of

Any flush or upright markers designating the location of an interment shall be removed at the time a disinterment is made at the expense of the Interment Rights Holder. Any loss of monument foundations as a result of cave-ins due to disinterment procedures will be replaced at the expense of the Interment Rights Holder or agent requesting the disinterment.

Article 7 LOT DECORATIONS

7.1 Definition of Lot Decorations

Lot decorations shall be deemed to include all ornaments/figurines, plants, or other embellishments, which are placed on cemetery lots with the intention of improving their appearance. No lot decorations permitted by this By-law shall be placed on a lot if outstanding fees are unpaid. The Board is not responsible for lost or stolen items.

7.2 Lot Decoration Rules (May 1st to October 31st)

The Board recognizes that there is significant value to the interment rights holders in decorating cemetery lots. At the same time the Board has an obligation to provide a safe and visually pleasing environment. In the interest of these objectives, it is imperative that the following rules be followed:

a) Lot decorations for one interment rights holder, must not infringe on the property of another interment rights holder.

b) Candles and Solar Lights (Plastic Containers-No glass or ceramics)

Enclosed candles or solar lights, and which are securely placed, will be allowed in any combination to a maximum of three in total. Interment Rights Holders may have candle/solar light on either side of the monument and in line with the monument row. As an alternative, Interment Rights Holders may have any combination of candles and/or solar lights up to a maximum of three in total in front of the monument and securely placed in the 36 cm (14") garden area. No open candles will be permitted. Candles or solar lights will only be allowed in the upright monument sections.

Candles and/or Solar Lights are allowed to be displayed on shepherd hooks. Candles or solar lights must not exceed the height of the monument. For monuments less than 61 cm (2') in height, candles or solar lights are allowed to be maximum height of 61 cm (2').

c) Artificial Wreaths

Artificial and/or silk flower arrangements/wreaths, attached to a stand or monument, may be placed and remain on gravesites, from the Friday before Thanksgiving to May 1st of the following year. All items not conforming to lot decoration rules, which remain after May 1st, will be removed by cemetery staff and will be placed in a recovery area, visible to the public, and will remain in the area until July 1st, after which such items will be discarded.

d) Saddle Wreaths

Saddle wreaths must follow the season. All saddle wreaths that become unsightly will be removed by cemetery staff. No Christmas saddle wreaths will be allowed during summer months. No wreaths, other than saddle wreaths will be allowed to be fastened to a monument after May 1st.

e) Bushes, Shrubs and Ornamental Trees

Ornamental or dwarf trees, shrubs and plantings on grave sites are not permitted. All grandfathered shrubs on grave sites shall be maintained by Interment Rights Holders. Such maintenance includes pruning to limit height to four (4) feet and laterally to within the boundaries of the Rights Holder's lot. Failure to meet these criteria will result in the removal of the shrub, bush or ornamental tree.

Only miniature rose bushes are allowed to be planted within a prescribed garden area.

f) Borders/Edging

Border or edging made of rubberized plastic, treated wood or pre-formed concrete, no thicker than two inches will be allowed only if it is installed properly and totally flush to the soil. Raised scalloped concrete borders are not allowed. Borders/edging must be installed within the 36 cm (14") permitted for the flowerbed. Flowerbeds cannot exceed the width of the memorial.

Interment Rights Holders are responsible to ensure that all flowerbed borders are completely flush to the surrounding ground. If interment rights holders are unable to keep borders flush within a one-month notice, borders may be removed by cemetery staff.

g) Wood Crosses

Wooden crosses will be allowed, as temporary markers on any unmarked graves for a period of one year from time of burial. Time extensions may be considered after one year on a case by case basis. The interment right holder will be responsible for removal of the cross. Cemetery staff will remove the cross after the allowable time if the holder has not undertaken this. Crosses are to be constructed of wood only. All crosses must be properly maintained by the interment rights holder.

h) Monuments

Monuments must be made of granite. Upright monuments may have attachments made of granite or bronze. Porcelain portraits are permitted.

i) Shepherd's Hooks

A maximum of (2) shepherd hooks for the hanging of contents will be permitted within the 35.4 cm (14") flowerbed provided that the hooks are not greater than the height of the monument.

j) Figurines

Figurines are defined as any type of allowable lot decoration within the 36 cm (14") garden area of upright monuments. Figurines cannot be made of glass or ceramics. Figurines are only allowed with upright monuments.

Stone mulch is not allowed for safety reasons.

k) Potted Plants

A maximum of 2 potted plants (a maximum pot size of 25 cm (10") in height and width) within the 36 cm (14") garden area once the foundation has been completed. Pots must not be made of breakable materials (e.g. glass, clay). With a flat marker 1 maximum 25 cm (10") potted plant may be placed on the monument. Cemetery staff will remove any unsightly plants.

l) Photographs

Only those reproductions of photographic images, which are an integral part of the memorial, are permitted. Approved methods include sandblasting and/or etching. Non-breakable photo attachments are also permitted on the front of any upright marker.

m) Damage – Limitations of Liability

The Board shall not be responsible for any damage to lots and structures or objects therein, or flowers or articles removed from a grave except for damage that has been shown to have been caused by cemetery staff. For any damages shown to have been caused by cemetery staff, the Board will attempt to contact the interment rights holder at the last known address to advise of the damages.

n) Lot Decorations-Safety

Lot decorations will be addressed as required where a particular lot decorations is deemed unsafe by the Coordinator or designate.

7.3 Lot Decorations Rules (November 1st to April,30th)

Note: Winter maintenance of the cemetery requires that cemetery staff may need access to any site on cemetery property. Therefore it is imperative that the following rules be followed:

- a) One wreath on a metal stand placed over flat markers and not in front or behind flat markers. For upright monuments, wreaths are to be placed in front of the monument and as close as possible to the monument. Wreaths are not to have plastic coverings.
- b) Temporary wooden crosses must be between 61 cm (24") and 91 cm (36") above the ground to allow for good visibility.
- c) Items within the garden area are not to exceed the height of the monument or encroach on neighbouring graves.
- d) Lot decorations will be addressed as required where a particular lot decoration is deemed unsafe by the Coordinator or designate.

**Article 8
FLUSH MARKERS**

8.1 Flush Markers - Defined

In this article "flush marker" means: a granite or bronze flat marker. Pillow markers are prohibited.

8.2 Construction – Granite Required

All grave memorials of any kind erected in the cemetery shall be constructed wholly of granite. and/or bronze. No material other than granite or bronze shall be placed on any memorial.

8.3 Construction – Other – Removal

Memorials installed in the cemetery which are found to be in contravention of the By-Law, shall be ordered removed. The Coordinator or designate will contact the Interment Rights Holder (at their last known address) of the contravention and the Interment Rights Holder shall be given thirty (30) days within which he/she must comply with the by-law. If the contravention is not corrected within this period, the Coordinator or designate may have the memorial removed at the expense of the Interment Rights Holder.

8.4 Marker Location – On Lot

Markers are permitted with size and quantity restrictions according to the section of the cemetery and the regulations deemed necessary as per the size of lot. The marker placement must not interfere with future interments.

- Single lot maximum 36" wide x 24" deep
- Double lot maximum 48" wide x 24" deep
- Cremation lot (flush markers only) maximum 24" wide x 16" deep (includes 4" border)

Flush markers may be centered over one, two or more adult spaces at the head end.

8.5 Outstanding Charges – To Be Paid

No flush markers shall be installed upon a lot unless the purchase price and any other outstanding charges for such lot have been paid in full.

8.6 Uniform Thickness

All flush markers shall be of a uniform thickness of 10 cm (4") plus or minus 1.28cm (1/2") and must be set so that the top is flush with the level of the ground. The allowed variance to all flush marker sizes shall be plus or minus 1.28cm (1/2") in total length and total width. A 10 cm (4") cement or granite border on all sides of the marker is required.

Article 9

UPRIGHT GRAVE MARKERS

9.1 Location – Centered

Upright markers shall be placed at the centre of the head end of the lot except where alignment with existing upright markers justifies another location. Under no circumstances shall more than one memorial or any part thereof, be permitted on any grave space. No upright marker shall be placed upon a lot unless the purchase price and all other outstanding charges for such lot have been paid in full.

9.2 Safety

All upright markers must be able to withstand a force of 35 kgs when such force is applied at any point on the memorial. Such markers must withstand this force when set in a dry mode (i.e. without the assistance on any adhesive material). Dowels (300 series stainless or equivalent) may be used to assist an upright marker in achieving the 35 kgs minimum standard. The intended positioning of such dowels must be shown/stated on the contract requesting the installation of the marker. All portions of an upright marker must be sealed together with a sealing compound and spacers to provide an adequate level of stability.

9.3 Upright Markers - Size Limitations

The Board reserves the right to determine the maximum size of monuments, their number and their location on each lot. They must not be of a size that would interfere with future interments.

The size of a monument must be within the following restrictions:

Monuments depending on their location within the cemetery are restricted to a maximum height of 121.92 cm (48") including the base.

The maximum width of a base is controlled by the width of the lot where it will be installed. No base shall be closer than 7.6 cm (3") to the lot width side lines.

The die stones must be installed on a granite base. The height of the base shall be a minimum of 20.32 cm (8"). The top surface of the base must be both wider and longer than the die in order to provide a minimum border of 7.62 cm (3") of the surface of the base exposed on all sides. Bottoms of the base shall be smooth sawn.

The foundation shall be built in the designated space and in the proper dimensions of the monument base. Foundations must not be less than 121.92 (48") deep .

9.4 Inscriptions - Family Name, Etc.

Family surnames or any inscriptions such as scriptures, poetry, prose, etc. on the back of upright markers will be permitted and must be approved by the Coordinator, or designate. Burial information may not be placed on the back of any monument unless, the interment rights are owned on both sides of the monument by the same rights holder. All inscriptions must be approved by the Coordinator, or designate.

9.5 Construction - Granite Required

Upright markers (including base) are to be constructed wholly of granite. Attachments of any other materials will be removed and disposed of. Field stones made of granite unless cut to meet specifications are prohibited.

9.6 Inscriptions – Reproductions - Photographic Images, Etc.

Only those inscriptions, reproductions or photographic images, which are an integral part of the flush marker, shall be permitted. Porcelain portraits may be attached to upright monuments only. Other acceptable methods of producing such photographic images or inscriptions include etching, sand blasting, chiseling, or similar methods as approved by the Coordinator or designate.

Article 10

ERECTION OF UPRIGHT MARKERS

10.1 Turf - Protection

Those persons engaged in the placing of, repairing of, or inscribing of upright markers shall provide planking and/or other protective materials adequate to protect turf and shall remove materials and equipment immediately upon completion of the work. The site shall be left in a clean, orderly condition.

10.2 Upright Markers - In Disrepair

If an upright marker or flush marker presents a risk to public safety because it is unstable the Coordinator, or designate, shall do whatever is necessary by way of repairing, resetting or laying down the upright marker so as to remove the risk.

Article 11

CREMATION

11.1 Interment - Placement of Cremated Remains

Any placement, interment, or removal of cremated remains shall be performed by cemetery staff only. The fees for such services are set out in the Price List.

11.2 Columbarium Regulations

The Coordinator or designate will supply a template (with a standardized font) to the Interment Rights Holder for the inscription to be placed on the face of the columbarium niche;

There should be no attachments, or placement of decorations on the columbarium, inside or outside units. There will be a maximum of 2 (two) urn placements only, in a columbarium niche.

Article 12

LOT EMBELLISHMENTS

12.1 Lot Embellishments

The use of glass containers and all other materials of an equally perishable nature are prohibited and shall be removed without notice.

Cut flowers when wilted, or neglected flower pots will be removed without notice.

Article 13
Request for Service

Any person or Funeral Director having a request for service shall contact the Coordinator or designate using the posted contact information.

Article 14
Adoption

Approval of cemetery by-laws is subject to the Registrar of the *Funeral, Burial and Cremation Services Act*, 2002.

Article 15
Offences

A person is guilty of an offence if the person knowingly furnishes false information in any application under the FBCSA or this By-law, in any certificate required to be issued or in any statement or return required to be furnished under the Act or regulation.
