On behalf of the Council and residents of Quinte West, we welcome you to our beautiful community located in the heart of the Bay of Quinte at the mouth of the world famous Trent-Severn Waterway.

Always proud of our military heritage and partnership with 8 Wing/CFB Trenton, Quinte West is home to the National Air Force Museum of Canada, The Afghanistan Repatriation Memorial and the Lav III Monument located at the start of the Highway of Heroes.

Stay in Quinte West and enjoy some of the best fishing, beaches, wineries, golfing, scenic vistas, waterfront activities, special events and more.

We hope you use this guide as a handy reference to the many adventures you can have in Quinte West and the surrounding region and return again and again to discover why Quinte West is a “Natural Attraction”!

Sincerely,

Jim Harrison
Mayor

Au nom du conseil et des résidents de Quinte West, je vous souhaite la bienvenue dans notre magnifique communauté située au cœur de la Baie de Quinte et à l’embouchure de la voie navigable, reconnue mondialement, le Trent-Severn Waterway.

Nous sommes fiers de notre héritage militaire et notre partenariat avec la BFC de Trenton, en plus que le Musée national de la force aérienne du Canada, le Afghanistan Repatriation Memorial (le monument commémoratif des rapatriements de l’Afghanistan) localisé au début de l’Autoroute des héros font partie intégrante de Quinte West.

Séjournez à Quinte West et profitez d’une des meilleures zones de pêche, de plages, de vignobles, de terrains de golf, de vues panoramiques, d’activités du bord de l’eau, d’événements spéciaux, et encore plus.

Nous espérons que ce guide vous servira de référence pour les nombreuses aventures que vous pourrez vivre à Quinte West et dans les régions avoisinantes et que vous reviendrez à maintes reprises et ainsi découvrir la raison que Quinte West est une «Attraction naturelle»!

Sincèrement,

Jim Harrison
Maire
The City of Quinte West is situated on the shores of the beautiful Bay of Quinte. It is located directly along the Highway 401 corridor approximately 1.5 hours east of Toronto and 2.5 hours west of Ottawa. Over 43,000 people make Quinte West their home.

Quinte West’s natural setting, with its attractive scenic backdrop of rolling hills, rich farmland and clean waterways, creates a healthy environment for working, living, and raising a family.

Safe, well-planned neighbourhoods and plenty of recreational activities make Quinte West the ideal place to visit or call “home”.

Regional Tourism Organization 9 in South Eastern Ontario is a travel destination that offers much more than you would expect. The region, starting in Quinte West and heading east to Cornwall, hosts an abundance of natural, cultural and heritage riches that are a source of pride for the people who call it home.

Bay of Quinte Region

You might know us as a midway stop on road trips between Toronto and Montreal, as a sports tournament destination, as the home of Canada’s largest air base, or as a top spot for walleye fishing. You might know us as the place you grew up in, or you might not know us at all. The revival of interest away from big cities and into smaller communities is stronger than it has ever been and we’re well-positioned to lead this rural renaissance in the Bay of Quinte region. It’s affordable and attractive, allowing for an attainable lifestyle. Flip through the pages of our guide as we pull back the curtain to show you why we love to live, work and play here.

The Bay of Quinte is an ideal spot for outdoor adventure on the water like stand-up paddle boarding, kayaking, or even kiteboarding and flyboarding or drop a line in the Bay for some of the best year-round Walleye fishing. Don’t worry if you don’t have the gear, there are plenty of local operators who can outfit you and guide your day on the water for any of these activities. Maybe you’re beach bound with miles of white sands just an easy drive from Belleville or Quinte West.

We have lots to do on land too! Our historic downtowns are filled with landmarks, eclectic shops and wonderful restaurants. Locally sourced food is paired with local beverages from the region’s fast-growing collection of wineries, breweries, cideries and distilleries. With over 20 regional golf courses, you will easily find one that suits your skill level. Or, try your luck at Shorelines Casino Belleville with over 450 slot machines and an incredible selection of table games.

Are you looking to relocate? A move to the Bay of Quinte region allows you to choose the space you truly desire. Spread out, have gardens galore and get in touch with nature on your picturesque rural property. Or, enjoy one of the many great neighbourhood vibes in a more urban setting just steps from all the things our cities like Belleville and Quinte West have to offer. Either way you slice it, you’re minutes away from the beautiful countryside, stunning waterways, outdoor adventure and modern convenience. Affordable, attractive, attainable. Choose your space in the Bay of Quinte.

220 RCAF Road, Trenton

The NAFMC is a must-see attraction while in the Quinte area. With over 75,000 square feet of display space attached to a sprawling, 16 acre airpark, plan to set aside a few hours to truly enjoy this aviation gem.

Established in 1984, the NAFMC is dedicated to preserving and telling the history of Canadian military aviation. From its first flight on a frozen lake in Nova Scotia, through to today’s humanitarian relief missions, the Museum captures the spirit, the daring and the courage of the men and women of the RCAF. Featured exhibits and static aircraft displays await visitors in an informal and family-friendly atmosphere.

AFGHANISTAN REPATRIATION MEMORIAL
Bain Park, Trenton

The Afghanistan Repatriation Memorial is a beautiful, permanent monument honouring our Canadian soldiers – the men and women who have sacrificed their lives in the war in Afghanistan. With Canadian Forces Base Trenton – Canada’s largest Air Force Base – nearby, Bain Park, located on the beautiful Bay of Quinte, provides a beautiful setting for this fitting tribute at the beginning of our fallen soldiers’ journey along the Highway of Heroes from Quinte West to Toronto.
Marvel at the fragility of the Burgess Dunne, Canada’s first military aircraft. Behold the strength of the workhorse of military flying, the Hercules CC130. Over 35 aircraft on-site provide guests with an up close and personal “flying machine” experience, the crowning glory being the fully restored, Second World War, Halifax bomber. The Museum Restoration Shop offers a behind scenes view of the rebuilding process - taking vintage aircraft from mess to masterpiece.

However, it’s the stories of Canadian air force personnel that are the real treasures of the Museum. Meet the ingenious POW aircrews who plotted the Great Escape; the gold medal winning, underdogs of the RCAF Flyers hockey team; or the men and women, both civilian and military, that combined to create the massive, hugely successful British Commonwealth Air Training Plan.

The entire site is designed to be reflective, contemplative in character and harmonize with its surroundings.

Quinte West and the Bay of Quinte are known to have some of the best fishing for trophy walleye in North America as well as Northern Pike and Perch. The best part about it is that you can drop your line year round where the Trent-Severn and Murray Canal meet the Bay of Quinte. Although the ice fishing season can be extremely short, it is an activity that can be enjoyed by the whole family and an opportunity to get out and enjoy the winter months. If you are already in the know about ice fishing grab your auger and pick a spot. If you don’t have a clue where to start but would like to try it, contact an expert, like Dave at Fish Finder Charters who will set you up with an ice hut and gear fishfindercharters.com.
