MESSAGE FROM MAYOR JIM HARRISON

Warm greetings to our citizens and neighbours!

We are pleased to provide you with the 2019 Quinte West Resident’s Guide. We hope you will find this a useful resource and encourage you to also explore a further compliment of services online at www.quintewest.ca or by visiting one of our municipal service locations located in Trenton and Frankford or follow us on social media.

The last four years have been very productive, with the completion of the Consolidated Operations Centre and the repurposing of Pelham Street facility that is now home to the Trenton Care & Share Food bank and Quinte Access. This is a great example of how community partnerships benefit everyone. The new state of the art Fire Hall was completed and the shovels are in the ground on the new OPP facility right up the street. We look forward to continued successes as we pursue further enhancements to the infrastructure within our great City.

There are endless opportunities that exist in our beautiful and diverse community and I invite you to explore the many attractions, local businesses, events, waterways and scenic areas that make Quinte West, A Natural Attraction.

Sincerely,
Jim Harrison
Mayor

The City of Quinte West believes that the unique character of our local community is defined in large by the businesses that reside within. It is those businesses that create charm, appeal and prosperity that help to attract new business and prospective residents to the Quinte West area. In support of this belief the City continues to adopt a variety of Shop Smart, Shop Local, Shop Quinte West promotional programs; offering a division of collaborative marketing tools including newsprint, radio, and digital marketing campaigns, to name a few.

The City’s Shop Smart, Shop Local, Shop Quinte West initiatives support local partnerships, allow businesses of all sizes the opportunity to participate via means of financial collaboration, as well as aid in promoting to our local residents the many benefits of shopping locally, including strengthening our job market and overall economic growth.

For more information on the Shop Local programs, please contact Economic Development & Tourism Services at 613-392-2841 Ext 4416 or email benh@quintewest.ca
The Government of Ontario requires building owners to have proper permits during construction and renovations. This is to protect you, future occupants as well as your neighbours. Building permits and inspections ensure that all construction and renovations comply with provincial building codes. Your building permit is your legal authority to build. Work completed without a permit can lead to the work required to be uncovered/exposed, costly delays, increased permit fees or legal action.

**DO I NEED A PERMIT?**

Here are a few common examples of situations that require building permits:

**YES (Call us!)**
- New building construction including sheds
- Building, renovating or repairing additions
- Converting spaces to be used as bedrooms
- Anything that requires plumbing to be moved
- Building or extending decks

**NO (But you still have to comply with Quinte West bylaws and zoning)**
- Replacing same sized windows and doors
- Building a fence
- Re-shingling a roof
- Installing siding or eavestroughs

A more comprehensive list can be found online at quintewest.ca

**NOT SURE?** Call or email us with information about your project 613-394-2841 x4904 or building@quintewest.ca

**INSPECTIONS**

Getting a building permit is only the first step! When you make your application for a permit we require two sets of plans - one to keep for our records, the other will be returned to you upon approval with your permit and information about the necessary inspections.

Call or email to book your inspection - please make sure to give us a least two days notice.
OVERNIGHT PARKING RESTRICTIONS

Please be advised that winter parking/overnight parking restrictions are in effect from December 1st each year until March 31st the following year. No person shall park on any highway or boulevard adjacent thereto, or any Municipal lot between the hours of 11 pm and 6 am. Vehicles parked in contravention of the Quinte West Parking Bylaw 12-124 will be ticketed and the vehicle may be towed at the owner’s expense. There is a minimum fine of $75.00 for overnight infractions.

Please help us to keep the streets clear and safe for everyone!

NOVEMBER IS TOYS FOR TICKETS MONTH!

Parking tickets issued from November 1st to November 30th are eligible to participate in the Toys for Tickets campaign. Instead of paying for the parking fine, you can bring a new toy that’s of equal or greater value than the parking ticket to City Hall. Toys that are donated in lieu of payment for parking tickets must be new and age appropriate for ages 5 – 16 years old. Please leave them unwrapped and in their original packaging. All toys collected will be donated to the Kinsmen Toy Drive.

MEMORIALS & MONUMENTS

The Afghanistan Repatriation Memorial is a beautiful, permanent monument honouring our Canadian soldiers – the men and women who have sacrificed their lives in the war in Afghanistan. The entire project has been funded solely by Canadians honouring Canadian soldiers through the Give To Honour Those Who Gave campaign, with no government assistance.

With Canadian Forces Base Trenton – Canada’s largest Air Force Base – nearby, Bain Park, located on the beautiful Bay of Quinte, provides a beautiful setting for this fitting tribute at the beginning of our fallen soldiers’ journey along the Highway of Heroes from Quinte West (Trenton) to Toronto.

In 2016, the Light Armoured Vehicle (LAV) III Monument was installed and unveiled as a public monument to recognize fallen Canadians and our military veterans who served in Afghanistan between 2001-2014. With special thanks to the Honorary Colonels’ Group at 8 Wing/CFB Trenton the LAV III project was organized, constructed, and is a great addition to the area. The entire site is designed to be reflective, contemplative in character and harmonize with its surroundings while providing accessibility for all members of the public at any time.

BAY OF QUINTE
The Bay of Quinte is one of the most picturesque bodies of water in Lake Ontario. Its shoreline stretches in a Z-shape from Quinte West to Bath for almost 100 kilometers. The Bay has a varied and plentiful fishery and is a favourite among anglers as a fishing tournament hotspot. Watersports of all kinds are enjoyed on the Bay of Quinte.

MURRAY CANAL
The Murray Canal connects the Bay of Quinte to Presqu’ile Bay, off Lake Ontario. The canal was man-made in the 1880’s to accommodate burgeoning shipping routes and to avoid open lake navigation. The Murray Canal is bridged at County Road 64 and Carrying Place. Overnight mooring is permitted at each bridge, with public toilets and picnic tables. There is a native portage trail existing across the narrow band of land between the two bays which is known as the Old Portage Road. It claims to be part of the oldest road in Ontario.

TRENTON ROWING AND PADDLING CLUB
The Trenton Rowing and Paddling Club is located near downtown Trenton and provides convenient access to both the Trent River and the Bay of Quinte. Along with club memberships, group paddle and special courses, they now offer rentals of Stand Up Paddle Boards (SUP’s), Kayaks and Canoes to people that are visiting the region or only get on the water occasionally. For more details on the club and their activities, please visit trentonrowingandpaddling.ca.

TRENT SEVERN WATERWAY
Originating in Quinte West, the Trent-Severn Waterway is a popular summer boating attraction connecting Lake Ontario through inland waterways to Lake Huron. The mouth of the waterway at Trenton is known as the gateway to the Trent-Severn Waterway. Travelling northwest through Frankford, Sidney and Murray Wards, boaters can stop at any of the seven Parks Canada locks operated in Quinte West. The entire length of the waterway is 386 kilometres, including 44 locks, two of which are hydraulic and unique to North America.

TRENT-SEVERN LOCKS
There are 7 locks located within Quinte West. Charts and passes can be purchased at Lock One in Trenton. Lock 6 in Frankford has been recently upgraded to accommodate overnight visitors with electricity and showers. Parks Canada Locks are also picturesque picnic areas for residents and visitors.

VENUES

RiverFront Square is a pedestrian plaza framed by restaurant patios to the west and the Trent River to the east. Residents and visitors alike are invited to bring their lawn chairs to enjoy music on stage or make a plan to dine at Tomosso’s Italian Grille or the Port Bistro on the patio adjacent to the performance area. The beautiful gardens and manicured grass around the Ted Snider Bandshell in Fraser Park make it the perfect place to lay out and blanket or pull up a lawn chair and enjoy some live music from a variety of local artists.
