

Accessory Structures

A Natural Attraction

For information/illustration purposes only. For detailed information please refer to Section 4.1 of the Comprehensive Zoning By-Law for the City of Quinte West, which takes precedence.

- Building permit required for accessory structures greater than 10 square metres.
- The total lot coverage of all accessory structures shall not exceed 15 percent.
- Accessory structures may not be erected closer to the street than the house.
- Accessory structures may not be constructed on an easement or right of way.
- For details on corner and waterfront lots and structures in excess of 4.5 metres in height please consult with Planning Department.
