

Decks

A Natural Attraction

For information/illustration purposes only. For detailed information please refer to Section 4.1.9 of the Comprehensive Zoning By-Law for the City of Quinte West, which takes precedence.

- A building permit is required to build a deck that is over two feet high (0.61m) or larger than 108 square feet (10m²) or is attached to a building.
- Decks may project into any required yard a maximum distance of 1.3 metres, but not any closer than 1.2 metres to any lot line.
- The total lot coverage of all accessory structures shall not exceed 15 percent.
- Decks may not be constructed on an easement or right of way.
- For details on corner and waterfront lots please consult with Planning Department.
